Jane Henney, M.D.
Commissioner
Food and Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Dr. Henney:

I am writing to you to tell you that I am in favor of the FDA promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and the risk of heart disease; folic acid, vitamin B6 and vitamin B12 and cardiovascular disease; and vitamin E and the risk of cardiovascular disease.

Thank you for your help in this matter.

Sincerely,

Ann F. Schenck, MSW, LCSW
